

Ilderton Area

Business Association

**2015/2016
Business Directory**

Our Community...

In a community with a proud heritage and promising future, the Ilderton and Area Business Association works hard to enhance, beautify and improve Ilderton (and area).

IABA encourages the establishment of business and increase the quality of life for residents.

Planter Boxes

The IABA is pleased to support the beautification of our community through the planting and upkeep of planter boxes that sit along Main Street, Ilderton during the summer.

Ilderton Market

Now in its third season, the Ilderton Farmers' Market, has proven to be very successful, growing by vendors participation and customer involvement. Come out on Saturday mornings mid-June to end of September, 8am-12pm to get your fresh fruits & veggies, baked goods, natural meats, organic products, fresh flowers and much more.

Christmas Lights

Main Street was lit up this past Holiday season with the addition of new Christmas lights, with thanks to the members of the IABA. These beautiful additions to our core area certainly brighten up Ilderton during the Christmas season & plans are in the works to add more for the upcoming winter.

Community Board

Recently IABA members had a Community Board built and installed which allows local upcoming events to be posted and displayed to keep our residents and visitors informed.
